

The Grove Amphitheater - Concept

Within the southern tip of the Kickapoo Park's 88 Acre "Passive Park" is the cultural peninsula. The centerpiece will be the Kickapoo Park's **AMPHITHEATER**. The concept is to have seating for 250 people plus additional lawn seating.

Added to that a **SCULPTURE ART WALK**, an **INTERPRETIVE SHELTER** for education and **CARILLON BELLS** for acoustical aesthetics.
